

## Declaration of Performance

Number : 000103

<b>1. Unique identification of product-type</b>	Renaissance Engineered Flooring Boards - for interior use
<b>2. Types</b>	2 layer engineered birch plywood based parquet, with different wood species in the top layer. Core type: 100% exterior glued Birch plywood Depth of product: 19 to 21mm  Product groups: all flooring boards, produced by FB Hout Group.
<b>3. Name and contact Supplier / Importer</b>	Whiteriver (WRG) Limited email : enquiries@wrg.ie
<b>4. Name and contact address of importer / Supplier</b>	Whiteriver (WRG) Limited Cluide, Dunleer, Co Louth Ireland A92 V8YN
<b>5. System of assessment and verification of constancy of performance of construction as set out in CPR Annex V</b>	4 (self declaration and self monitoring)
<b>6. Activity of the Notified Body as required in Harmonized Standard</b>	All flooring boards are tested according EN14342:2005 + A1 <i>Wood flooring – Characteristics, evaluation of conformity and marking</i> A: CEN/TR 14832:2006 (PCP) B: EN717-1:2004 (formaldehyde) C: EN15676 (anti skid resistance) D: EN13501-1 (resistance of fire) The intentional inspection of the factory production control system is executed under system 4 by the manufacturer, who also will be responsible for continuous monitoring
<b>7. Declared Performance</b>	
A: CEN/TR 14823:2006	Emission of PCP < 5 ppm
B: EN717-1:2004	Emission of Formaldehyde E1
C: EN15676	Anti skid resistance 55 (on DSC oiled flooring boards)
D: EN13501-1	Reaction to Fire Cfl-S1 on the products 19mm to 21mm
<b>8. Thermal Conductivity</b>	0,12 W/mK
<b>9. Biological Durability</b>	Class 1

Signed on behalf of importer / distributor
